Seen & Heard Around MURRAY

Our friends Mr. and Mrs. Hal E. Fox write in to renew the Ledger and Times. Stop and see us if ever in Buckeye land, they write. They live at Mansfield, Ohio.

The two small pups which stayed at our house for a brief period caused some difficulty. Lady the inside dog is sort of neurotic, also 12 years old. She just will not tolerate another dog around the place. She figures there is not enough love if spread too thin, so she is again any strangers who might happen by.

Lady is also spoiled. She will not eat any meat except steak or roast, cooked naturally. She will eat the dog cookies which come in several flavors. Also candy, nuts, and other things a dog is not supposed to eat.

She feels she is somebody. Maybe she is.

Murray High should have won last night. Some costly errors changed the complexion of the game in a hurry.

We take nothing from Mayfield in this remark because they played heads up football and took advantage of the errors of the Tigers and that's the name of the game.

Murray High played well too. Bill Heise, as usual, played his heart out and should be a candidate for all state honors. He does his job and does it well.

An unfortunate loss of the ball in the first half, had an adverse effect on the Tigers. Except for some costly errors, the Tigers might have swept the field. However, that's the game of football.

The traffic light at 12th and Main is badly needed.

If you want to go to Cuba, get a flight most anywhere around Florida and you might well end up in Cuba.

Candy Being Sold By The B&PW Club

The Business and Professional Women's Club is selling Katherine Reich tins of candy, according to Mrs. James Shelton, chairman of the committee. Any person desiring candy may call Mrs. Shelton or any other member of the club. Announcement of the candy sale was made at the meeting Thursday evening when Mrs. Alberta Korb, guidance counselor at Calloway County High School, was a guest. She is a former member of the Dawson Springs B&PW Club.

CHERRY IS JUDGE

Professor William Cherry of Murray State University was the judge for the 17th Annual Graves County 4-H Club Beef Show held Thursday at the Mayfield Livestock Sales Company.

Marines Fail To Find Cong On DMZ Today

By JACK WALSH
SAIGON (UPI) — Two thousand Marines scouring the Demilitarized Zone DMZ today found little trace of the 7,000 Communist troops reportedly holed up there. Other leathernecks found 33 tons of Communist munitions hidden in and around the buffer zone.

The huge Marine expeditionary force, airlifted to the very border of North Vietnam Tuesday on the basis of intelligence estimates, reported "sporadic contact" with the guerrillas as it kept to high ground in the rugged mountain terrain.

Red for is apparently melted into the valleys after losing 110 men in the first four days of the sweep, spokesmen said. Communist troops kept up the pressure around Saigon today, pouncing on a U.S. infantry patrol only 13 miles from the capital after one of their field bobby traps killed one U.S. soldier and wounded two.

UPI correspondent Roger Norum reported the battle raged through late afternoon today between U.S. 9th infantry "Old Reliable" troops and the Communist ambushers. Communist losses were not determined.

Norum said U.S. troops were sweeping the battlefield to get a Communist body count after the latest battle in weeks to the capital, marked by Communist documents telling of a third Red offensive on the capital this Monday.

Other allied units reported killing a total of 240 north Vietnamese and guerrilla troops today and Friday in a series of fights around Saigon and close to the nearby Cambodian border.

The DMZ operation began Tuesday when helicopters airlifted assault teams from the 4th and 9th Regiments of the 3rd Marine Division to the banks of the Ben Hai River, which runs through the center of the buffer strip. The operation was disclosed Friday.

The leapfrog tactic, unorthodox by comparison with previous DMZ probes which swept from south to north, put the Leathernecks force between the reported Communist force and

their North Vietnamese sanctuary. The Marines reported killing 110 Communists and capturing 500 rifles in the first four days of the southern sweep. U.S. casualties were described as "light." Some Marines cooled over from the effects of the 110-degree heat.

U.S. B52 bombers supported the operation with their deepest raids into North Vietnam Tuesday. Spokesmen said pilots dropped two million pounds of bombs on Communist positions as far as 10 miles north of the buffer strip.

Government spokesmen in Saigon said South Vietnamese Marines and regional forces today crushed the second Red assault in two days at their outposts 40 miles northwest of Saigon. They said the defenders killed 173 Communists in the two defenses at a cost of 14 killed and 60 wounded.

In other fighting near the capital reported today, a U.S. infantry patrol trapped a Communist platoon near Tay Ninh City, 53 miles to the northwest. They reported killing 19 Communists at a cost of two wounded.

Indicted Ex-Convict To Address College Students

By JACK V. FOX

LOS ANGELES (UPI) — Black Panther Eldridge Cleaver, hired to give 10 lectures on race relations at the University of California's Berkeley campus, today found himself cut down to a single classroom appearance.

Overriding Gov. Ronald Reagan's demand that Cleaver be barred from teaching at any of the university's nine campuses, the Board of Regents Friday tried to defuse the explosive issue by a compromise.

By a 10-6 vote, the board adopted a motion by U.S. President Charles Hitch allowing the Black Panther minister of information to speak once at the volatile Berkeley campus.

Reagan's motion that Cleaver be barred from teaching at any UC campus failed by a 9-0 tie vote. Reagan had warned that failure to purge Cleaver might touch off a legislative investigation.

The decision of the peace-makers on the board left none of the principals in the controversy satisfied.

No Repudiation

Asked at a news conference whether the regents action was a repudiation of him, Reagan replied: "If it was a repudiation of me, it was a repudiation of the people of California and the

whole legislature of California." The legislature earlier had censured the regents and the university administration for allowing Cleaver, an ex-convict under indictment for assaulting a policeman, to help teach a course titled "Experimental Social Analysis."

"If there was a victory it was a pretty hollow one," Reagan said. "The small faculty group wanted him ten times and they're getting him once. They lost considerably too."

Cleaver was equally scornful of the decision, and called it "obnoxious."

Just A Talker
"The politicians are trying to frighten the electorate," he said. "They are trying to give the impression that the laws are going to come tumbling down if Eldridge Cleaver continues to do what he has been doing — talking."

In refusing to get rid of Cleaver completely in the face of enormous pressure, the regents apparently decided on courses at the university.

Regent Edward W. Carter said he feared a "confrontation community" if the regents rescinded faculty authority over courses and curriculum.

(NO109) NEWPORT NEWS, VA. (FHTNC) Sept. 10 — Aviation Boatswain's Mate Airman Gerald B. McNutt, USN, 23, son of Mr. and Mrs. E. Brent McNutt of Route 4, Murray, Ky., participated in the ceremony that commissioned the Navy's newest attack aircraft carrier, USS John F. Kennedy.

He is one of more than 2,300 officers and men who are scheduled to take the Kennedy on a "shake down" cruise to Guantanamo Bay, Cuba in late October to test and evaluate the ship's battle readiness.

Among the dignitaries who attended the ceremony were Miss Caroline Kennedy, daughter of the late President and the ship's sponsor; Mrs. Jacqueline Kennedy and former Secretary of Defense Robert S. McNamara, who was the principal speaker.

No Injuries Reported In Accidents

Three traffic accidents occurred Friday afternoon and evening in the city limits of Murray, according to the reports filed by the investigating officers of the Murray Police Department. No injuries were reported.

At 11:13 p.m. a three car collision occurred on Sycamore Street near Meadow Lane.

Cars involved were a 1964 Falcon two door and a 1964 Ford four door driven by Roger Dale Dick of Murray Route Five, a 1963 Ford convertible owned by Dallas Meers and driven by Thomas S. Meers of 808 Packney Street, Carmi, Ill., and a 1960 Chevrolet four door sedan driven by Philip Lynn Tynes of Benton Route Two.

Police said the Dick car was going east and the Meers car was going west on Sycamore, while the Tynes car was parked on Sycamore. Meers told police that he did not believe that he had enough space to get between the Dick and Tynes cars, and when he applied his brakes his car "fishbaited" with the rear end striking the Dick car and the front end striking the Tynes car causing it to strike a tree, according to the police report.

Damage to the Dick car was on the front bumper, left front fender, and left front door, to the Meers car on the front and rear ends, and to the Tynes car on the front and rear ends.

Earlier at 10:45 p.m. a two car collision occurred on Jerry's Drive in parking lot between the 1964 Oldsmobile four door sedan owned by Michael Smith and driven by Michael Smith, Cardinal Drive, Murray, and the 1968 Dodge two door hardtop owned by Tom Buey and driven by Terry B. Buey of Route Four, Buchanan, Tenn. The police said Smith told them he misjudged the distance between his car and the Buey car as he was pulling out of the parking space on the parking lot.

Damage to the Smith car was on the front bumper and right front fender, and to the Buey car on the rear bumper.

Another accident occurred at 12:25 p.m. on South 4th Street. Cars involved were a 1963 Ford four door sedan driven by Lorene W. Ray of Murray Route One and a 1960 Chevrolet four door owned by Suzanne McDougal of Circum Drive, Murray, and driven by Ray B. Brownfield of Murray Route One.

Police said Brownfield was backing out onto South 4th Street and failed to see the Ray car that was going north on South 4th Street on the wrong side of the street.

Damage to the Ray car was on the left rear fender and to the McDougal car on the left rear fender.

Tigers Fall To Mayfield Last Night By 28-20

The Murray High Tigers, almost blanked in the first half by the Mayfield Cardinals, fell 28-20 last night at Holland Stadium. The Tigers caught fire in the second half, but could not overcome the 14-7 lead held by Mayfield.

Murray High, favored by the breaks, could not put together a sustained attack last night. What was billed as a defensive battle, turned into an offensive duel with the Mayfield defense holding the edge in the fracas.

The Tigers scored in the first quarter with 5:51 left, apparently being able to move the ball well. Hale took the opening kickoff on the Tiger 35 and in fifteen plays the Tigers marched down the field, pushing back the tough Mayfield defense. Shelton, Hale, and Hart bulldozed their way down the field aided at one point with a Shelton to Hale pass. Shelton over from the 4 over the left side of the line with Hart making the extra point kick good.

That score was the last for the Tigers in the first half and Mayfield racked up two touchdowns to hold a 14-7 lead at the half-time.

The Cardinals moved toward their first score with one minute in the first quarter with Fowler going over from the 16. Mayfield moved from their own 27 in 13 plays. Belote made the extra point good.

Murray received the ball once again but could not move and kicked out to the Cardinal 24. Mayfield was stopped and Murray once again got the ball. As the defensive battle continued, Murray High got the ball and again had to kick out. Mayfield took a handoff from Venable who received the punt and raced from his own 40 to mark up another TD for the Cardinals. Again Belote made the extra point kick good.

Van Pittman 185 pound Cardinal fullback bulled over from the one yard line in the third quarter after Mayfield had moved the ball from their own 37 in 15 plays. The clock showed 5:54 left in the quarter as Belote made his third straight extra point kick split the up-rights.

Mayfield led by a score of 21 to 7.

The Cardinals had still another TD to make in the third quarter, this time Pittman took

the ball from the 32 for the score and Belote's kick was perfect. Murray gave up the ball on the Mayfield 36 yard line after Hale's passes failed to click. The Cardinal TD came with 1:50 on the clock and was the last one for the night.

The Tigers started moving then, but too late to overcome the big deficit. One touchdown came with 8:16 left in the game and another with 3:21 left.

Pasco went over for the first final quarter score from the four yard line and Don Shelton made the second one from the 2. Hart made one kick good but the kick on the final TD was wide.

The game ended with Mayfield sporting the big end of a 28 to 20 score.

The hard fought contest saw some good playing on both teams. Mayfield seemed to be better organized for the game and capitalized on their breaks.

Their defense held well after the first Murray TD, until the final quarter.

Mayfield is a Class AA team while Murray is a Class A team.

The annual sporting event of long standing was viewed by a large crowd with the stands filled for the game.

Next Friday Murray will meet Fulton, at Fulton.

SOCIAL SECURITY

Questions and Answers

Social Security beneficiaries in Calloway County who need to report changes of address or other events that affect their monthly benefits may now do so through the Social Security Office at 112 South Tenth Street in Paducah, Kentucky, Charles M. Whitaker, District Manager, said today. Reports may be made by mail, telephone, or personal visit.

Whitaker said that up to now beneficiaries were encouraged to notify the Social Security Administration about the occurrence of these events on postcard forms pre-addressed to one of six social security record centers throughout the country. Beneficiaries received the postcard forms when they initially applied for monthly benefits.

Whitaker explained that the change in reporting methods is designed to reduce the time needed to change addresses and process other information having an effect on payment of monthly benefits. The change is prompted by the increased capacity of social security district offices to transmit the information over high speed communications circuits to record offices.

In addition to address changes Whitaker stated that other events that affect receipt of monthly social security checks include employment, marriage or remarriage in some instances, divorce, and death.

Veterans Questions and Answers

Q — I understand that President Johnson recently signed into law a bill increasing VA compensation payments to veterans with service-connected disabilities. I am rated 100 per cent service-disabled. How much of an increase will I receive and when will it go into effect?

A — As a veteran with a 100 per cent service-connected disability, your monthly VA compensation payment will be increased under Public Law 90-483, signed by President Johnson on Aug. 19, 1968, from \$300 to \$400 if your disability was incurred in time of war and from \$240 to \$320 if incurred in peacetime.

The increase will go into effect on Jan. 1, 1969, and should be reflected in your January check which you will receive around Feb. 1, 1969.

Q — I am a disabled veteran, eligible for vocational rehabilitation and would like to know if I can take part-time training. I would like to train for a better paying job, but can't afford to quit my present job and take full-time training because I have a wife and two children to support.

A — Since July 26, 1968, as the result of Public Law 90-451, it has been possible for service-disabled veterans in need of vocational rehabilitation to take part-time training and be paid a proportionate assistance allowance by VA. The present full-time allowance is \$110 monthly for a veteran with no dependents, \$150 for one dependent, and \$175 for two or more dependents. Under the new law, the allowance for three-quarters time training will be \$80, \$110, and \$130 respectively. For half-time training the allowance will be \$55, \$75, and \$85.

Check with your nearest VA office.

Q — Late last March President Johnson signed a law which, I understand, not only protects me against any loss in my VA pension due to the social Security increase I received this year, but also increases my pension as the result of a new income scale the VA uses. My pension check is still the same. Why haven't I received an increase?

A — Because any increase to which you may be entitled as the result of the change in the income scale will not become effective until Jan. 1, 1969, under Public Law 90-275, signed by the President on March 28, 1968.

MSU Racers To Open Grid Season Tonight, At Home

A Murray State football team, badly slowed by injuries will open its season tonight at Murray against the University of Tennessee at Martin.

The Racers offensive team has been particularly hard hit by injuries the last week with the Nos. 1 and 3 tailbacks both out and with several linemen on the doubtful list.

Coch. Bill Furgerson still hopes that most of the injuries will heal enough for a maximum effort which he says will be necessary if the Racers are to stay in the game with the Vols.

"They're tough," Furgerson said. "Tilghman has made them a 16-point favorite in the game, and rightfully so. They're a veteran squad, they're the Tangerine Bowl Champion, and they have 29 lettermen back from last year. We also saw their spring game and thought they were one of the finest college squads we had ever seen."

Among the lettermen returning for the Vols are their top two quarterbacks, Allan Cox and Erroll Hook. Cox started most of last season, but Hook was the "Most Valuable Offensive Player" in the Tangerine Bowl.

Last year, UTM beat the Racers 16-9 in a game that looked as if it would be a Vol run-away in the first half but ended with Murray almost pulling out a win. The Racers had a first down inside the UTM 10 in the final minutes but couldn't push across for a TD.

Tilghman had a spectacular night, completing 22 of 34 passes for 216 yards. At one point in the game he had completed 15 of 16, nine of them in a row. Murray leads the modern series between the two schools.

The game will begin at 7:30.

ALMANAC

by United Press International

Today is Saturday, Sept. 21, the 265th day of 1968 with 101 remaining.

The moon is between its last quarter and new phase.

The morning star is Mars.

The evening stars are Saturn and Venus.

On this day in history:

In 1792, France became a republic.

In 1893, the first successful gasoline-operated motor car made in America — designed and built by Charles and Frank Duryea — appeared on the streets of Springfield, Mass.

In 1938, at least 450 persons were killed in a hurricane that battered the coasts of New England and New York.

In 1955, Rocky Marciano knocked out Archie Moore in the ninth round at Yankee Stadium in New York, successfully defending his heavyweight title for the sixth time.

A thought for the day — British Author H. G. Wells said: "Human history becomes more and more a race between education and catastrophe."

four games to three, but UTM has won the last three.

Offensive starters for the Racers will be Billy Hess, split end; George Rice and Lee Harrell, tackles; Tony Sims and Ken Pelot, guards; Roger White, center; Gerald Young, tight end; Phillip Hunt, flanker; Larry Tilghman, quarterback; Joe Meade, fullback, and Russ Hake, tailback.

Defensive starters will be Mike Dungan and Doc Sanders, ends; Larry White and Walt Anderson, tackles; Sam Tandy, middle guard; Vick Etheridge and E. W. Dennison, linebackers; Jimmy Harrell, nose back; Lennie Jezik and Bud Qualk, halfbacks, and Don Yeatch, safety.

Mrs. Mary Ridings Presides At Meet Of Women's Society

The newly installed president, Mrs. Mary Ridings, called to order the meeting of Women's Society of Christian Service of Martin's Chapel United Methodist Church in the social hall on Tuesday evening at seven o'clock.

Mrs. Gerald Garrett began her program presentation by asking the members to sing along to "The Church in the Wilderness" and "I Love to Tell the Story" accompanied by a "Tennessee Ernie" Ford spiritual album.

The devotion, given by Mrs. Harmon Whitnell, was taken from 1 John 3 and she closed with a thought provoking poem, "If He Came to Your House".

Mrs. Garrett continued her program topic, "How to Get Along With People" with excerpts and discussion topics from "Wings of Spirit" by Wallace Friday and "Woman to Woman" by Eugenia Price.

Each member took part in the discussion and the exchange of ideas was enjoyed by all present.

The minutes of last meeting were read by Mrs. Harmon Whitnell. Mrs. Whitnell thanked each member for the help they had extended during her term as secretary and asked for their continued cooperation for the incoming secretary, and for her in her new office of vice-president.

Mrs. Jimmie Hughes, treasurer, reported the balance on hand. Mrs. Hughes and Mrs. Harmon Whitnell advised the members of some of the advantages of the "Methodist Woman" and encouraged each person to use the publication.

Obtaining names of new families in the community and planning a visitation to welcome them and invite them to church and Sunday School services was discussed.

The president, Mrs. Ridings, requested each member to practice a personal self-denial during the coming month for the special offering which will be collected at the meeting for observance of "Call to Prayer & Self-Denial".

Mrs. Harmon Whitnell will lead the "Service of Celebration Charter Meeting" that will take place in October.

Dorothy Circle WMS Has Meet

The Dorothy Circle of the Woman's Missionary Society of the First Baptist Church met in joint session with the WMS members in observance of the week of prayer for state missions.

Following this program members of the Dorothy Circle met for a brief business meeting and the installation of new officers.

Mrs. Ralph Tessenor was in charge of the installation. She presented new papers for the WMSU entitled "Geared To Change". A cog wheel was given to each of the officers as she explained their duties. The officers placed the cog wheels in position, turned them, and it was shown how they could all work together if each one was in the right position and worked together.

Those elected were Mrs. Neil Brown, group leader, Mrs. Castle Parker, mission action, and Mrs. Joe Johnston, secretary. Others present were Mrs. Hugh Noffsinger and Mrs. Ralph Darnell.

DEAR ABBY: I am a woman 31 years old and I have started keeping company with a man about my own age. It looks like it might become serious. (Marriage, I mean.)

Abby, I would like to know if I am obliged to tell him that I cannot have any children due to two operations (removal of one ovary, and half the other one) I had in the last 2 years?

Or should I keep silent and maybe tell him after we are married? Thank you.

DEAR UNDECIDED: Tell me, please, if it is proper for a lady to wear an orchid corsage to her husband's funeral? I saw this with my own eyes and would sure like to have your opinion.

DEAR SULPHUR: If it made the lady feel better, then I would say it was "proper."

Everybody has a problem. What's yours? For a personal reply write to Abby, Box 69709, Los Angeles, Cal., 90069 and enclose a stamped, self-addressed envelope.

'Lady' Goes Only Where Invited

By Abigail Van Buren

DEAR ABBY: After being a widow for 4 years, I married George, a divorced man whose daughter is getting married in Syracuse next month.

I suggested that we go to Syracuse a day or two early as we have relatives there. It was then that George informed me that I was not invited to the wedding. I was furious. I took it for granted that as his wife I would be welcome at his daughter's wedding.

George said I could make the trip with him, but while he attended the wedding and reception, I could visit with my relatives. I told George that I was a lady and refused to be hidden away. All his people know that he has remarried. The only reason he has ever given me for his divorce was that he and his wife "didn't get along." Do you suppose that he's afraid of

vision.
